Hello Councillor Carlone,

I hope this finds you well and enjoying these first glimmers of spring. I don't think we've met in person yet, but I've been proud to vote for you since you first ran for council.

I've been trying to track the question of the HP referendum that was supposed to come in front of the council this coming Monday and that seems to have been postponed. I can't find any statement by you on this matter and just wanted to urge you to take seriously the possibility of the adopting the HP boycott measure. This is a time tested political and economic strategy that reaches back at least as far as the Kosher Meat Strike of 1902 when Jewish women on the Lower East Side boycotted butchers who had raised their prices in collusion. As an American Jew I'm inspired by this early action and committed to taking any action in the present that might, even in a small way, represent an acknowledgement of the humanity and equal rights of Palestinians.

All best
